Annual Title I Community Notification
School Year 2018-2019

Dear Parents, Guardians and Friends,

Tecumseh South Elementary School is a ‘Schoolwide’ Title I school. This means the building qualified for additional funding from the Federal Government to support academic achievement and rich instructional programs for all students. These funds are assigned to a building in proportion to the number of students who meet certain income guidelines.

Schoolwide programs serve all children in a school. All staff, resources, and classes are part of the overall Schoolwide program. The purpose is to generate high levels of academic achievement in core subject areas for all students, especially those students most in need. This purpose is achieved through: high quality instruction, comprehensive reform strategies and instruction that is based on learning research, and strategies to improve teacher quality and professional development.

TS values the input of the extended school-community in formulating our building plan for instructional improvement. Your feedback is important to the teachers and to me. I encourage you to become involved in the school improvement process in any of the following ways:

- PTO
- Site Council
- P/T Conferences
- Team Meetings
- E-news
- Community Priority Survey
- Board meetings or individual conferences

Sincerely,

Scott Dial
TS Principal
