We recently added two new features to the grade card due to the change to a weighted grade system at SHHS. You will see your students Cumulative Weighted GPA along with their Cumulative Unweighted GPA. You will also see a new column for the number of Grade Points your student receives for each class they have taken. The number of points received follows the chart below:

Grade	Unweighted Class Pts	Weighted Class Pts
A	4	5
B	3	4
C	2	3
D	1	2
F	0	0
