Dear Parents,

Shawnee Heights USD #450 will again provide accident insurance for all students. Coverage applies during school time and while participating in school activities. The insurance is excess to any insurance you may already have on your student and pays only after that coverage has responded. There are specific coverage limits and pays the "usual and customary" charges. As a result, the insurance may not provide 100% coverage.

Please be aware that claims must be reported by you to the claims payer within 90 days of the accident. Contact the school administrator for the necessary form and instructions for filing a claim. Additional information may also be obtained at [www.sas-mn.com](http://www.sas-mn.com).
