Some of the things that SHBC/PTO does:

- The SHBC/PTO sponsors student socials and Spirit Night events; purchases achievement/merit awards, state banners, and State Patches for 1st – 3rd place winners; provides monthly hospitality for all SHHS Staff; supports Post Prom; and participates in the annual BOE Appreciation event.
- Activity Programs are prepared by the SHBC/PTO and distributed at home games for Fall, Winter, and Spring Activities at no cost to our patrons.
- The SHBC/PTO runs concessions at all home games. Individual breakaway booster clubs have the opportunity to work concessions and earn money for their group. Funds are earned via a point system and credited to a sponsored activity's general fund at the end of the year. These funds can be used to purchase items that have been approved by the administration in accordance to applicable rules.
